Re: *State v. Kelly M. Rindfleisch*, Appeal No. 2013AP362-CR
(Milwaukee County Circuit Court Case No. 2012CF438)

Dear Ms. Fremgen:

Plaintiff-respondent State of Wisconsin has received the petition for review filed by defendant-appellant-petitioner Kelly M. Rindfleisch. The State opposes the petition. In the State's view, the petition does not present any reasons satisfying the standards enunciated in Wis. Stat. § (Rule) 809.62(1r) for granting review. In addition, the court of appeals reached the correct result for the correct reasons. The State, however, will not file a detailed response to the petition unless the court orders one.

Sincerely,

Christopher G. Wren
